

Head of Clinical Audiology

Flexible Location: Ideally based around the North West/ Midlands region

Permanent role

Join Us as the Head of Clinical Audiology at Amplify Hearing!

Are you a passionate and experienced audiologist ready to take the next step in your career? Do you thrive in leadership roles where you can make a real impact on patient lives and drive innovation in healthcare? If so, Amplify Hearing is looking for you!

About Amplify Hearing

We provide hearing care in over 330 optical practices across the UK and we're growing fast. We support local independent opticians with independent, fully qualified hearing care professionals. Being independent means, we can provide the best hearing solutions at the best prices, to 'reconnect people across the world'.

We uniquely offer Joint Venture Partnerships to our Audiologists which means they are given the freedom of being an independent and the feeling of being part of a family business, but with the support they'd expect from a conglomerate, so they can provide the best professional care and prosper.

About the Role

As the Head of Clinical Audiology, you will support our talented team of clinical audiologists, ensuring the highest standards of patient care and driving the strategic growth of our services. This senior leadership role offers the opportunity to blend your clinical expertise with commercial acumen and strategic vision.

Your Key Responsibilities:

- **Lead with Passion:** Inspire and manage our clinical audiologists, fostering a positive and collaborative team culture.
- **Drive Excellence:** Oversee the delivery of high-quality audiology services, ensuring patient safety and satisfaction.
- **Innovate:** Stay abreast of the latest advancements in audiology and integrate new practices and technologies.
- **Grow:** Identify opportunities for service expansion and develop strategies to enhance our market position.
- **Mentor:** Support the continuing professional development of our audiologists, promoting lifelong learning and career progression.

Who you are

- A registered Clinical Scientist in Audiology (or equivalent) with the Health and Care Professions Council (HCPC).
- Clinical experience in audiology, with a proven track record in a senior or leadership role.
- Excellent interpersonal, communication, and organisational skills.
- A strategic and commercial mindset with a drive for innovation and growth.

What's in it for you?

Thrive in a supportive, collaborative environment that values honesty, transparency, simplicity, adaptability, and trust.

As a key member of the Amplify Senior Leadership team, you will play a vital part in our growth and in our exciting plans for the future, so the role offers an exciting opportunity for the right individual, with plenty of scope for development and career progression.

You'll also get the following benefits:

- A competitive salary and benefits package.
- A flexible working environment - with the possibility of flexible full time working hours
- Great training and development opportunities
- 26 days' annual leave (plus bank holidays)
- Private health cover
- Death in service benefit
- Amazing discounts, savings and rewards through our reward gateway
- Pension
- Company sick pay, should you ever need it

We'd love to hear from you

At Amplify Hearing, we offer a vibrant and inclusive work culture, dedicated to fostering professional growth and innovation. If you are ready to embark on an exciting journey with a company that's committed to making a real difference in people's lives, we would love to hear from you.

If you have any questions about the position, you're welcome to contact our Talent Partner, Joanne Murphy. Email joanne.murphy@amplifyhearing.co.uk.

The closing date is **22nd September 2024**.
